Public Participation

While the Board intends to [livestream](#) this meeting, it may not be possible to livestream the entire open meeting due to limitations on resources or technical difficulties.

This meeting is also accessible to the public via WebEx. Links to the WebEx Event and instructions on how to connect have been added to this agenda, as well as the Medical Board of California's (Board) website.

During Agenda Items **2**, Public Comments on Items not on the Agenda, the Board has limited the total public comment period to forty minutes. Therefore, after forty minutes, no further comments will be accepted. Each person will be limited to three minutes per agenda item.

During public comment on any other agenda item, a total of twenty minutes will be allowed for comments, apportioned between those participating in-person and those participating remotely. After twenty minutes, no further comments will be accepted. Each person will be limited to three minutes per agenda item.

Meetings of the Medical Board of California are open to the public except when specifically noticed otherwise in accordance with the Open Meeting Act. The audience will be given appropriate opportunities to comment on any issue presented in open session before the Board, but the President may apportion available time among those who wish to speak. For additional information, call (916) 263-2318.

NOTICE: The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting Angelaya Strother at (916) 263-2318 or send a written request to Angelaya.Strother@mbc.ca.gov. Providing your request at least five business days before the meeting will help ensure availability of the requested accommodation.

The mission of the Medical Board of California is to protect health care consumers and prevent harm through the proper licensing and regulation of physicians and surgeons and certain allied health care professionals and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board's licensing, policy, and regulatory functions.
