

DATE REPORT ISSUED: January 3, 2018  
 ATTENTION: Members, Medical Board of California  
 SUBJECT: Administrative Summary  
 STAFF CONTACT: Kimberly Kirchmeyer, Executive Director

REQUESTED ACTION:

This report is intended to provide the Members with an update on the staffing, budget, and other administrative functions/projects occurring at the Medical Board of California (Board). No action is needed at this time.

Administrative Updates

Board staff has had several meetings with interested parties regarding the Board.

- Board staff had calls with the Board’s President and Vice President to discuss pending projects and the Board agendas.
- Meetings were held with then Chris Castrillo, Deputy Director of the Department of Consumer Affairs (DCA), and other DCA executive staff.
- Regular meetings continue to be held with Gloria Castro, Senior Assistant Attorney General.
- Board staff met with the Governor’s Office and interested parties regarding the expert reviewer reports, pursuant to the Governor’s signing message on Senate Bill 798.
- Board staff continues to meet with DCA and the Department of Justice (DOJ) to discuss the Controlled Substance Utilization Review and Evaluation System (CURES) database.
- Board staff attended meetings with the Psychotropic Medication Implementation (PMI) Workgroup, which is a workgroup to improve the safe and appropriate use of psychotropic medication for children and youth in foster care.
- Board staff attended webinars and teleconferences from the Federation of State Medical Boards (FSMB) and the International Association of Medical Regulatory Authorities.
- Board staff attended the FSMB Attorney Workshop.
- Board staff attended a Healthcare Workforce Policy Coalition Convening held by the California Primary Care Association.
- Board staff provided a presentation to the California Association of Medical Staff Services – Madera on the Board’s functions and processes, including the requirements for Business and Professions Code sections 805 and 805.01 reporting.
- Board staff attended a Pro Rata Open House held by the DCA.
- Board staff met with Senator Pan and his staff to discuss possible future legislation.
- Board staff provided a presentation to the California Conference of Local Health Officers regarding the Board’s Citation and Fine Program and other Board updates.
- Board staff provided a presentation and answered questions at a meeting with the Kaiser Permanente Northern California Medical Legal Chiefs.
- Board staff continues to meet with representatives from the California Department of Public Health, the Board of Pharmacy, Dental Board, the Department of Health Care Services, DOJ, the Emergency Medical Services Authority, DCA, and other interested parties regarding prescription opioid misuse and overdose. The group is identifying ways all the entities can work together to educate prescribers, dispensers, and patients regarding this issue of serious concern.

The Board released its 2016-2017 Annual Report in December. This Annual Report was restructured and has a new modernized look. The report is available on the Board’s website. Some highlights of the Annual Report includes an all-time high of 9,619 complaints and 466 disciplinary actions taken. In addition, the Board’s physician and surgeon licensing population has grown to 137,967 licensees in active status and 144,441 including all license statuses.

Staffing Update

On December 15, 2017, April Alameda was appointed as the Board's Chief of Licensing.

The Board has 163.6 permanent full-time positions (in addition to temporary staff). The Board is at a 5.5% vacancy rate which equates to 9 vacant positions. This is lower than the 10% vacancy rate that was provided in the last administrative summary. However, there are two individuals who are going through the eligibility and hiring process, which would reduce the vacancy rate to 4%. Management will be working to fill these positions as soon as possible.

Budget Update

The Board's budget documents are attached, beginning on page BRD 6A-3 and continuing to page BRD 6A-8. BRD 6A-3 is the Board's fund condition, which identifies the Board's fund reserve at 5.4 months at the end of FY 16-17. The document on page BRD 6A-4 is the Board's fund condition without repayment of the \$9 million loan to the general fund.

It is important to note that due to the transition of the DCA to the new Fi\$Cal reporting system, budget documents for FY 17-18 are still not available at this time. Board staff will be working with DCA to obtain the data for the reports by the April 2018 Board meeting. Page BRD 6A-8 provides the Board Members' expenditure report as of January 4, 2018.

With the full repayment of the outstanding loans, which are scheduled to occur in FY 17-18, and taking into consideration future anticipated costs, the Board's fund reserve is scheduled to be within its mandated level in FY 18-19. Board staff will be closely monitoring the Board's budget to determine whether future changes are needed. As indicated by both fund conditions, it would not be prudent at this time to consider any reduction in licensing fees as previously recommended by the Bureau of State Audits because the Board anticipates being within its mandatory level at the end of FY 18-19. In addition, the Board has future costs that could impact the Board's budget should they be approved.

Controlled Substance Utilization Review and Evaluation System (CURES) Update

The Board will be testifying at a hearing held by the Assembly Business and Professions Committee in February. The Board will be explaining how it uses the CURES database in its investigation process.

Board staff is still working on a pamphlet for physicians regarding the use of CURES. This would provide information on how to use the CURES 2.0 system and what to do with the information once a CURES query has been completed. Board staff want this pamphlet to be completed by the implementation of the requirement to check CURES. At this time, that date is unknown, but it will not occur until six months after the Department of Justice certifies the CURES system is available for use.

**Fiscal Year 2017-18**  
**Budget Expenditure Reports**

In July 2017, the board and bureaus within the Department of Consumer Affairs (DCA), including the Medical Board of California, migrated to the State of California's new financial management system, Financial Information System for California (Fi\$Cal). Replacing more than 2,500 legacy systems, Fi\$Cal is one system providing accounting, budget, cash management, and procurement services statewide.

At each quarterly meeting, the Medical Board reviews its expenditure reports. Due to complications with Fi\$Cal, these reports are not available for the January 2018 meeting. DCA is working with Fi\$Cal to resolve the lack of reports.
