STLRP Recipient Profile – Dr. Jasmeet Bains

- Congratulations to STLRP awardee, Dr. Jasmeet Bains for being honored as the "2019 Hero of Family Medicine." Dr. Bains practices Family Medicine at Omni Family Health in Taft.
- "It was, in part, her own grandmother who inspires her to keep working to improve healthcare in her hometown. As Bains went through her residency, she served as the primary caregiver during the final years of her grandmother's life. Up until the day she died, Bains said, her grandmother would say: The main reason why you are a physician is to bring a higher level of service of healthcare to an area that you grew up in."
