APPLICATION INFORMATION FOR A PREVIOUSLY LICENSED CALIFORNIA PHYSICIAN

MINIMUM REQUIREMENTS TO REAPPLY FOR LICENSURE

- In accordance with Section 2428 of the California Business and Professions Code, a physician whose California Physician's and Surgeon's license expired five or more years ago must reapply for licensure. If you voluntarily canceled your license, you must reapply regardless of the time period.
- Although Section 2428 allows you to undertake a re-application process that is significantly streamlined, you must meet all of the requirements as if you were applying for licensure for the first time.
- You must have completed at least two years of ACGME/RCPSC accredited postgraduate training or have completed one year of approved training and be certified by a specialty board approved by the American Board of Medical Specialties (ABMS).

GENERAL INFORMATION

- As an applicant, you personally are responsible for all information disclosed on your Application, Forms L1A-L1F, including any responses that may have been completed on your behalf by others. An application may be denied based upon omission, falsification or misrepresentation of any item or response on the application or any attachment. The Medical Board of California considers violations of an ethical nature to be a serious breach of professional conduct.
- **Processing Times:** Application materials are processed in the date order in which the application is received in this office. All application forms and supporting materials are stamped with the date and time received in the office. Generally, you should anticipate receiving written correspondence confirming the status of the application for a medical license within 60 days of submission of the application.
- **Grounds for Denial**: Each applicant's credentials for licensure in California are reviewed on an individual basis. The Board has the authority to deny licensure based upon an applicant's act of dishonesty, unprofessional conduct, conviction of a crime, discipline of another state license or inability to practice medicine safely.
- **Convictions**: Note that convictions adjudicated in juvenile courts or convictions two years or older under Health and Safety Code sections 11357(b), (c), (d), (e) or section 11360(b) need not be reported. Convictions expunged or set aside pursuant to section 1203.4 of the California Penal Code or equivalent non-California law MUST be disclosed. If in doubt as to whether a conviction should be disclosed, it is best to disclose the conviction (see the Criminal Record History section on the Application).

The Board is providing this information as a convenience to its applicants. You may obtain further information regarding this electronic diploma service at the following website: https://www.cediplomatrust.com.

Upon receipt of your application and fees, we will retrieve your previously imaged licensing record and determine what documents may be used to meet the current requirements. In the event our imaged records do not contain all of the documents that are currently required, you may be requested to submit additional documents.

LIVE SCAN INFORMATION

California's Department of Justice (DOJ) provides statewide Live Scan, which is an electronic fingerprinting system with a subsequent automated background check and response. This system significantly expedites the fingerprint clearance process. **APPLICANTS WHO RESIDE IN CALIFORNIA MUST COMPLETE THE ELECTRONIC LIVE SCAN FINGERPRINT PROCESS.** Applicants residing outside of California may choose this option if visiting the state.

• CALIFORNIA DOES NOT HAVE LIVE SCAN LINKS TO ANY OTHER STATES •

The "Request For Live Scan Service" form (below) is required to have your fingerprints processed by Live Scan. This form must be completed in triplicate; therefore, THREE copies will be printed automatically when printing the form. Please ensure that all personal data (name, AKA's, date of birth, sex, height, weight, eye color, hair color, place of birth, Social Security Number or Individual Taxpayer Identification Number, California driver's license number and home address) is provided on *each of the three forms*. The last section of the form requires information from the fingerprint agency; please ensure this information is completed or the forms will be void. **It is the responsibility of the applicant to ensure that the person scanning the fingerprints submits TWO digital prints, one for the DOJ and one for the FBI.**

Applicants can access the website, **http://ag.ca.gov/fingerprints/publications/contact.htm** to obtain the names and location of approved fingerprint sites. Information pertaining to the need for appointments, hours of availability, and rolling fees are also available through that website. **After completing the Live Scan process, applicants must submit ONE of the THREE forms with the initial application to document the scanning of their fingerprints.** The results of Live Scan fingerprints are generally received within five (5) days.

Applicants residing outside of California must submit two completed fingerprint cards or have your fingerprints completed at a California Live Scan facility. The results of paper fingerprint cards are generally received within six (6) weeks.

Whether you use Live Scan or paper fingerprint cards, you will be charged an administrative fee by the local agency that scans the prints or provides the inked impressions. This is in addition to the fingerprint processing fee that must be paid to the Medical Board of California with your application. For further information about the fingerprint clearance process and time frames, please visit the following website at: **http://ag.ca.gov/consumers/morefaqs.php**

Because applicants from the medical professions must be concerned with sanitary issues, they wash and scrub their hands so much that images of their fingerprints are often difficult to read. When the impressions are of such poor quality that they cannot be searched in DOJ's fingerprint data base, the fingerprints (whether Live Scan or paper card) are rejected and reprints will be necessary. Therefore, please advise the person processing your fingerprints that extra care needs to be given to ensure that clear impressions have been made.

Criminal Records Check from both the California Department of Justice and the Federal Bureau of Investigation must be received prior to the issuance of a Postgraduate Training Authorization Letter (PTAL) or a Physician's and Surgeon's medical license.

NOTE: If you have ever been convicted of a misdemeanor or felony, the record of conviction will be reported to the Board as a result of your fingerprint inquiry.
