

Medical Board of California

Licensing Outreach Program

Lisa Toof

Licensing Outreach Manager

Creation of the Licensing Educational Program

- Program originally created in 2001
- Created to build working relationships
- Has expanded across all regions of the state

Licensing Outreach Program

- ❖ In 2009 – Licensing Educational Program becomes Licensing Outreach Program
- ❖ Expanded to hospitals (private, public, and governed by UC), medical groups, community clinics, health centers, etc.

Functions of Licensing Outreach Program

Two ways to communicate:

- 1) Presentations at resident orientations
 - Present/explain Board's mission
 - Licensure requirements and deadlines
 - Ramification of not meeting deadlines and failure to disclose required information
- 2) Participation in licensing workshops
