MEDICAL BOARD STAFF REPORT

DATE REPORT ISSUED: January 5, 2016

ATTENTION: Members, Medical Board of California

SUBJECT: Administrative Summary

STAFF CONTACT: Kimberly Kirchmeyer, Executive Director

REQUESTED ACTION:

This report is intended to provide the Members with an update on the staffing, budget, and other administrative functions/projects occurring at the Medical Board of California (Board). No action is needed at this time.

Administrative Updates:

Board staff has had several meetings with interested parties regarding the Board.

- ➤ Regular meetings were held with Chief Deputy Director Tracy Rhine and Deputy Director Christine Lally of the Department of Consumer Affairs (DCA) and other DCA Executive staff.
- Regular meetings continue to be held with Gloria Castro, Senior Assistant Attorney General.
- ➤ Board staff continue to meet with DCA and the Department of Justice (DOJ) to discuss the implementation of the new Controlled Substance Utilization Review and Evaluation System (CURES) database.
- ➤ Board staff met with the California Medical Association (CMA) on issues of interest to both parties.
- ➤ Board staff provided a presentation and update on the Board to the California Hospital Association (CHA).
- ➤ Board staff met with Consumer's Union to discuss the Board's enforcement and outreach processes.
- ➤ Board staff attended webinars and teleconferences with staff from the Federation of State Medical Boards and the International Association of Medical Regulatory Authorities.
- ➤ Board staff met with Legislative staff providing updates on the Board, its actions, and issues of interest.
- ➤ Board staff met with staff from the Health Quality Investigative Unit (HQIU) and the Attorney General's (AG) Office on the vertical enforcement report.
- ➤ Board staff met with Dr. Yip to review the Board's Probation Unit and its processes and procedures.
- ➤ Board staff met with HQIU, AG's Office, and DCA staff to discuss a parallel policy for investigations.
- ➤ Board staff met with staff from the Bureau of State Audits to discuss the audit they are performing related to the issue of psychotropic medication for foster children.
- ➤ Board staff attended a meeting with other State Executive Directors and discussed several issues of interest, including physician health programs and telemedicine.
- ➤ Board staff attended a two-day California Prescription Drug Abuse Summit.
- ➤ Board staff met with the California Association of Midwives and the American College of Obstetricians and Gynecologists to discuss regulations to implement Assembly Bill 1308.
- ➤ Board staff met with the Office of Statewide Health Planning and Development on possible changes to the licensed midwife annual report.
- ➤ Board staff met with a representative from the Food and Drug Administration to open lines of communication and discuss common interests.
- ➤ Board staff met numerous times with the State Board of Optometry and DCA on the transition of the Registered Dispensing Optician Program.
- ➤ Board staff met with the accreditation agencies to discuss implementation of Senate Bill 396.
- ➤ Board staff attended meetings held by the CMA on the corporate practice of medicine.
- ➤ Board staff continue to meet with representatives from the California Department of Public Health, the Board of Pharmacy, Dental Board, the Department of Health Care Services (DHCS), the DOJ, the Emergency Medical Services Authority, and the DCA regarding prescription opioid misuse and overdose. The group is identifying ways all the entities can work together to educate prescribers, dispensers, and patients regarding this issue of serious concern.

Administrative Summary October 13, 2015 Page 2

Staffing Update:

The Board has 160.1 permanent full-time positions (in addition to temporary staff). The Board is at a 7.5% vacancy rate which equates to 12 vacant positions. This is higher than the vacancy rate that was provided in the last Administrative Summary, which was 6%. Of those 12 vacant positions, the Board has 5 individuals pending a start date or verification of eligibility. However, each of the individuals pending a start date or eligibility are within the Board and therefore, the vacancy rate remains at 7.5%.

Budget Update:

The Board's budget documents are attached, beginning on page BRD 6A-4 and continuing to page BRD 6A-15. The Board's fund condition on page BRD 6A-4 identifies the Board's fund reserve was at 3.7 months at the end of FY 15-16. The Board was notified that the planned general fund loan repayment planned for FYs 15-16, 16-17, and 17-18 has been changed to a partial repayment of \$6 million in FY 16-17 and \$2 million in FY 17-18. With the partial repayment of the outstanding loans and taking into consideration future anticipated costs, the Board's fund reserve will be below its mandated level in FY 17-18. The Board staff will be closely monitoring the Board's budget to determine whether future changes are needed. The second fund condition on page BRD 6A-5 does not include the repayment of the general fund loans. As indicated by both fund conditions, it would not be prudent at this time to consider any reduction in licensing fees as previously recommended by the Bureau of State Audits because the Board anticipates to be within its mandatory level at the end of FY 15-16. In addition, the Board has future costs that could impact the Board's budget should they be approved.

The Board's overall actual expenditures for FY 15-16 through November 30, 2015 can be found on page BRD 6A-6. Pages BRD 6A-7 to 6A-11 show the budget report specifically for licensing, enforcement, the HQIU, and the AG expenditures. Page BRD 6A-15 provides the Board Members' expenditure report as of December 14, 2015.

BreEZe Update:

A report will be provided at the January Board Meeting on specific updates and the status of pending requests. The Board continues to develop the reports necessary to identify the Board's workload and processing timeframes.

Board staff continues to submit requests for changes/fixes to DCA for the BreEZe system. Release 2 is scheduled to occur in January 19, 2016, and therefore no maintenance releases for Release 1 boards will be performed until after the roll out of Release 2. The Board has been performing regression testing on all of its processes and functions during the Release 2 board user acceptance testing. This testing is intended to ensure that the Release 2 roll out will not impact the Board or its functions.

Controlled Substance Utilization Review and Evaluation System (CURES) Update

On January 8, 2016, the DOJ released its new streamlined application process. All physicians will have to use a compliant browser to register for CURES using the streamlined process. However, after they are registered into the system, they will not need to use a compliant browser to access CURES. If the physician uses an older browser to access CURES, they will be redirected to CURES 1.0 for querying purposes and will not benefit from the improvements of CURES 2.0. The DOJ has stated that CURES 1.0 will be phased out in mid-2016, thereby requiring all physicians to have a compliant browser to access CURES 2.0 at this time. For more information please see Agenda Item 6D.

Federation of State Medical Board

Board staff continue to participate in webinars held by the FSMB and communicate on common issues. Board staff and Members also attend Committee and Task Force Meetings when possible.

The Annual Meeting of the FSMB will be held April 28-30, 2016 in San Diego. The title of this year's meeting is *New Horizons in Medical Regulation: Successful Strategies for a Changing Health Care Environment.* Although the agenda is not finalized, some of the scheduled sessions include discussions on patient safety and errors; medical marijuana; medical error, transparency, and accountability; innovations in medical and graduate education; physician workforce; telemedicine; communication and the use of social media in a regulatory environment; and team based care and regulation.

Interstate Medical Licensure Compact

The second meeting of the Interstate Medical Licensure Compact (Compact) Commission was held December 18, 2015 in Salt Lake City, Utah. To date, 12 states have formally adopted the Compact and six states have legislation pending. The draft minutes from this second meeting can be found at 6A-16. As previously reported, the Board has not been notified that there is a Legislative member interested in introducing the Compact in California.

INTERSTATE MEDICAL LICENSURE COMPACT COMMISSION Salt Lake City, UT December 18, 2015

The second meeting of the Interstate Medical Licensure Compact Commission convened at 8:05 AM with a call to order by Chairman Ian Marquand (MT).

Roll Call was completed by Secretary Shepard (WV) with 100% attendance of the eleven (11) member states. Karen Silas was named by Commissioner Smith (AL) to serve in his absence today and Commissioner McGill (WY) joined by teleconference.

Invited guests included: Rick Masters from The Council of State Governments and Colmon Elridge from The Council of State Governments National Center for Interstate Compacts. The public audience consisted of representatives from the AOA, AMA, the states of Utah, Illinois and Georgia and Kay Taylor from the FSMB who has been serving as the Commission's on-site coordinator. Also joining by teleconference was Lisa Robin, Jonathan Jagoda and Humayun J. Chaudhry, D.O., from the FSMB; Randall Manning from the FSMB Foundation and Mark Lane from the Federation of State Boards of Physical Therapy.

Agenda:

The draft agenda was presented for review. On a motion by Commissioner Bohnenblust (WY) and seconded by Commissioner Martinez (MN) the agenda was approved by voice vote as presented.

Minutes:

The minutes from the inaugural meeting of October 27, 2015 were presented with recommended revisions received by the Secretary after the posting of the draft minutes. On a motion by Commissioner Feist (MT) and seconded by Vice Chairman Thomas (MN), the minutes were unanimously approved by voice vote with all recommended revisions included.

The inaugural minutes were very specific and detailed for clear understanding of the discussions held and decisions made. Future recording of minutes will only reflect motions and decisions made and how those votes were taken. Details of discussion will be made available via the digital recording of the meetings. The Communications Committee will establish a consistent style for all Commission communications.

Committee Reports:

The following committee reports were made by their respective chairs. Unless noted below, reports were received as information only but Commissioners and the public were allowed comments on each report.

Coordinating Committee:

Chairman Marquand (MT) shared the report of the Coordinating Committee. The majority of the report dealt with the planning for the December meeting of the Commission, including the request for Kay Taylor from FSMB to serve as the coordinator. The committee also addressed the following:

- 1) Seating of any new member states within the public gallery, not at the Commissioners' table. Upon official appointment to the Commission, those new Commissioners will take their seat at the table.
- The Chairman of the Commission should be the face and voice for the Commission for those outside communications requiring an immediate response from the Commission.

3) No recommendations were made by the Coordinating Committee regarding more complex communications as the Communications Committee was scheduled to meet the following day.

Bylaws/Rules Committee:

The Bylaws/Rules Committee met three times since the first meeting of the Commission and was led by Chairman Bowden (IA). Commissioner Martinez (MN) presented the following recommended changes:

- 1) Grammatical and language changes:
- 2) Establishment of an Executive Committee in Article VII, Section 1:
- 3) Establishment of Advisory Committees as sub-committees of the Commission, therefore, not requiring public meeting notices;
- 4) Prohibit Commission voting by ballot with approval of four (4) forms of voting:
 - a) Voice Vote
 - b) Roll Call Vote
 - c) Non-Audible Vote
 - d) Consensus Vote

Following much discussion regarding "advisory" committees and a roll call vote on secret balloting and several motions and motion withdrawals, a motion was made by Commissioner Schneider (IL) and seconded by Commissioner Goetter (AL) recommending the following:

Acceptance of the report and recommendations of the Bylaws/Rules Committee with the following specific changes:

- 1) Delete all "advisory" references.
- 2) Article VI, Section 4 Delete "Ballot votes are prohibited" and replace with "Ballots are allowed only for the election of officers."
- 3) Article VII, Section 2 Revise first sentence to read as follows: "The Commission may establish such Committees as it deems necessary to advise it concerning the fulfillment of its objectives, which may include, but not be limited to,
- 4) Article VII, Section 2 Delete "No officer of the Commission or immediate past chairperson of the Commission shall concurrently serve as a chairperson on a Committee."
- 5) Article VII, Section 2 Revise last sentence to read, "Committees created under this Article VII, Section 2 are not subject to the requirements of Article VI under these bylaws."

The motion was approved unanimously by roll call vote.

A motion was made by Commissioner Schneider (IL) and seconded by Vice Chair Thomas (MN) to request the Bylaws/Rules Committee look into the development of a process for dissolution of the Compact and how assessments, if assessed, would be disseminated. This should be reported back to the full Commission. Motion passed by voice vote.

Chairman Marquand called for a 20 minute recess at 9:40 AM. The Commission re-convened at 10 AM.

The Bylaws/Rules Committee continues to work on the promulgation of rules and, at this time, presented a Conflict of Interest Policy, an amendment to the adoption of rules and a procedure for the Commission's acceptance of gifts. Chairman Bowden (IA) asked Commissioner McGill (WY) to walk the Commission through the recommendations.

Motion made by Chairman Bowden (IA) for the adoption of the Conflict of Interest Policy and seconded by Commissioner Clark (IA).

With discussion about definition of "tangential" and "deminimis" gifts, the motion to adopt the Conflict of Interest Policy was withdrawn and the policy sent back to the Bylaws/Rules Committee for more in depth study and reflection.

The Committee was asked to review rules for parliamentary procedures and whether Roberts Rules of Order, which is currently required by the Commission Bylaws, is the best rule to follow. Discussion ensued on whether the Commission should appoint a Parliamentarian to assist in clarifying parliamentary procedures or obtain legal counsel on the same.

No further action was taken on the Bylaws/Rules Committee report.

Budget Committee:

Chairman Zachariah (IL) presented two policies for review and approval. Motion was made by Chairman Zachariah (IL) to establish a checking account at a national bank which shall have a local branch in at least one member state and to give authority to the Commission Treasurer to deposit funds on behalf of the IMLCC and to disperse funds on behalf of the IMLCC up to one thousand (1,000) dollars on his sole authorization. Any deposit greater than one thousand (1,000) dollars would require authorization of both the Treasurer and the Chairperson of the Interstate Medical Licensure Compact Commission. The motion was seconded by Commissioner Thomas (MN).

The motion carried unanimously by voice vote.

Chairman Zachariah (IL) presented a proposed six month budget with an income of \$1,000 from a donation made to the Commission and an expense budget of \$176,926.05. The proposed budget was presented for informational purposes only. No action needed.

Until a home office has been established for the Commission with the hiring of an Executive Director, the Commission Secretary, along with the office of Central State Governments, will maintain all policies approved by the Commission.

Funding Committee:

Chairman Thomas (MN) presented two (2) action items to the Commission.

 Permission to explore incorporating the IMLCC as a 501 (c) 3 to benefit directly from possible grant funding while also looking at other options available for government agencies.

- 2) Recommend that the IMLCC work with FSMB in applying for the HRSA License Portability Grant equaling \$250,000 a year for a three year duration. This application could be done three different ways but has a deadline of 01-19-16.
 - A) As a block grant;
 - B) The IMLCC could ask FSMB to assist in the application process for the IMLCC;
 - C) The FSMB could apply for the HRSA grant as a pass through for the IMLCC.

Motion was made by Chairman Thomas (MN) and seconded by Commissioner Cousineau (NV) to ask FSMB to work with the Commission on the most prudent process to apply for the HRSA grant.

Motion was unanimously passed with voice vote.

Commissioner Schneider (IL) moved to appoint the Funding Committee to work with FSMB in the drafting of the application for the HRSA grant. Motion seconded by Commissioner Longo (NV).

Motion was unanimously passed with voice vote.

Commissioner Schneider (IL) moved to request Chairman Marquand (MT) to write a letter on behalf of the Commission for the grant. Motion was seconded by Commissioner Goetter (AL).

Motion unanimously passed with voice vote.

Chairman Marquand (MT) recognized Randall Manning in attendance via telephone from the FSMB Foundation. Mr. Manning announced that grants are available, upon request, to any states for IMLC start up monies. Letters requesting grant monies should be sent directly to the Foundation.

Motion was made by Commissioner Hansen (SD) to ask the Commission Chairman to write a letter to the Foundation requesting a grant for the IMLCC. When asked by the Chairman if the motion contained a dollar amount, Commissioner Hansen requested the motion ask for funds to support the Commission. Motion was seconded by Commissioner Feist (MT).

A voice vote was taken with indecisive results. The Chairman asked for a show of hands with the results showing 13 Yes and 8 No. Chairman Marquand abstained. The motion carried.

Mr. Masters has to leave the meeting early today and Chairman Marquand requested permission to allow Mr. Masters to present his portion of the report from The Council of State Governments Conflict Waiver Agreement with disclosures. The agreement has been signed by the President and CEO of the Federation of State Medical Boards, Humayun J. Chaudhry, D.O.

Motion was made by Commissioner Martinez (MN) and seconded by Vice Chairman Thomas (MN) to authorize the Commission Chairman to sign the Conflict Waiver Agreement presented by Mr. Masters.

The motion was unanimously passed by voice vote.

Personnel Committee:

The committee recommends a change to the Bylaws, Article IV, Section 2, "Duties of the Executive Director." A sub-section "k" is requested to , "seek and assist in acquisition of financial grants."

Motion was made by Vice Chair Thomas (MN) and seconded by Commissioner Schaecher (UT) to approve the Bylaws change to add sub-section "k" to Article IV, Section 2.

Original motion was withdrawn and a motion to refer this change to the Bylaws/Rules Committee for consideration was made by Commissioner Knittle (WV) and seconded by Commissioner Goetter (AL).

Motion unanimously passed with voice vote.

Chairman Marquand (MT) requested a brief recess and asked the Commission to reconvene for a working lunch with Lisa Robin's report from Federation of State Medical Boards. Ms. Robin provided an update on the status of the current HRSA grant monies. To date, the Commission has operated under budget as established with the HRSA grant.

Technology Committee:

The Technology Committee approached their job by surveying all member states to identify a required minimal data set for each member state's licensing process. Great consistency was found between the member states and was determined to be the initial starting point in the development of a minimal data set. It was also determined the initial licensing process and data flow should be given priority over the renewal process.

As the process moves forward, the Technology Committee, as well as all Commission appointed committees, should work closely with the Bylaws/Rules Committee to insure rules are developed to assist with the objectives as each committee does its work. The Commission requested Mr. Masters, from CSG, to work with the Technology Committee as they continue their work.

While the Federation of State Medical Boards already has a compilation of state boards data, Commissioners felt additional information would be needed from FSMB before our technology needs are more definitively identified. It was the consensus of the Commission to invite Michael Dugan, Chief Information Officer of the FSMB, to the next meeting of the IMLCC to discuss this further.

Communications Committee:

The first two objectives of the committee were to:

- Provide consistent, uniform communication to and from the IMLCC through all communication mediums;
- 2) Development of a dedicated IMLC website.

To meet their objectives, the committee presented a Communications Policy to address and prioritize outside requests for information and to report back to the Commission. They also designed a letterhead format for IMLCC correspondence and a power point presentation with talking points for presentations on the IMLCC. A request was made to move all contact information from the top of the letterhead to the bottom, until a Commission office has been identified.

The committee will continue to work on the development/management of a dedicated website for the IMLC.

The Commission Chairman was invited and participated in a roundtable discussion on the IMLC sponsored by the FSMB. There were over 40 participants from across the United States who participated.

Chairman Marquand (MT) called for a 15 minute recess and reconvened to vote on a recommendation from the Communications Committee.

Motion was made by Vice Chair Thomas (MN) and seconded by Commissioner Schaecher (UT) to accept the Communications Committee's "triage" process to prioritize incoming requests. Motion passed by unanimous voice vote.

Correspondence Requests:

The following communication requests were reviewed:

AMA – Requested clarification on the Maintenance of Certification requirement for renewal of license within the compact. Motion was made by Commissioner Hansen (SD) and seconded by Commissioner Lawlor (ID) to answer by stating the IMLC currently has no requirement for board certification upon renewal. That issue is deferred to individual state requirements at time of renewal. Board certification is currently required at time of initial licensure only.

The motion unanimously passed by voice vote. The AOA requested the same written response be sent to their organization recognizing Osteopathic Continued Certification as only being required at initial licensure.

- A letter has been received from the Nurse Licensure Compact Administrators offering congratulations and offering their assistance. The Chair will acknowledge the letter on behalf of the IMLCC.
- 3) An invitation to participate in a research study on medical licensing has been received from Licentiam, Inc. A motion was made by Commissioner Schaecher (UT) and seconded by Vice Chair Thomas (MN) to decline the invitation.
- 4) An invitation to speak at their annual meeting in Kissimmee, Florida, has been received from the National Association of Locum Tenens Organizations and the National Association of Physician Recruiters at their expense.

Motion was made by Treasurer Zachariah (IL) and seconded by Commissioner Carpenter (SD) to authorize Chairman Marquand (MT) to speak at the national meeting in March 2016 using the current power point presentation. The motion unanimously passed by voice vote.

Public Comments:

The meeting was opened for public comments. The AMA representative acknowledged that they are interested in the sharing of data whether it be through RFP or other means.

Report of Council of State Governments:

Report from Council of State Governments was received from Colmon Elridge. He acknowledged the work of the Commission is being closely watched on a national level and he applauded the progress made by the Commission to date. He spoke to the work ethic of Mr. Masters and expressed his appreciation to the Commission for the signing of the Conflict of Interest Waiver. Mr. Elridge presented the work plan as it was submitted for the current HRSA grant and offered it to the Commission for their consideration.

The Commission expressed their thanks to Mr. Elridge, from CSG and Kay Taylor from the FSMB for their assistance in handling the administrative functions for these Commission meetings. Secretary Shepard requested guidance on where the digital recordings of each Commission meeting should be made available. Motion was made by Commissioner Hansen (SD) and seconded by Commissioner Feist (MT) to upload the digital recordings to the "Knowledge" section of the CSG website with a link to all member state websites until such time as the Commission has a dedicated website. The motion unanimously passed by voice vote.

Work Plan and Time Line Development:

Chairman Marquand (MT) noted that Commissioner Schaecher (UT) had left the first Commission meeting prior to the committee assignments being made. He was asked if he wished to serve on a committee and he agreed to be added to the Bylaws/Rules Committee.

The Commission was asked by its Chair to establish what they wanted to accomplish over the next 60 days. The list was set as follows:

- The Technology Committee should meet with Michael Dugan from the FSMB prior to the next Commission meeting to outline a strategic plan for information technology;
- 2) Remote conferencing will be made available for all committees;
- 3) Budget and Funding Committees will work on the HRSA Grant for submission by the January 19, 2016 deadline;
- 4) Bylaws/Rules Committee will work and report on the following issues by the next Commission meeting;
 - a) Conflict of Interest
 - b) Gifts
 - c) Rulemaking
 - d) Add "k" duty for Executive Director Position
 - e) Rules on Policies and Policy Making
- 5) Chairman Marquand (MT) will draft a letter to the FSMB Foundation for presentation at the next Commission meeting;
- 6) For the telehealth community in support of the IMLC, the Commission Chair will reach out for cooperation and dialogue;
- 7) Communication Committee was requested to provide a pilot presentation at the next Commission meeting just for the Commissioners;
- 8) The Commission Chair will contact the FSMB about making a presentation at the Annual FSMB meeting;

- 9) The tabled motion on establishing a July 1, 2016 licensing deadline was withdrawn by Commissioner Steinagle (UT):
- 10) An orientation program will be developed by the Communication Committee with the assistance of CSG, for new commissioners:
- 11) Commission Secretary will contact any new commissioners with a letter of welcome and request a copy of their appointment letter;

A motion was made by Commissioner Hansen (SD) and seconded by Commissioner Steinagle (UT) to ask the Executive Committee to prepare a work plan for submission with the HRSA Grant and present it to the Commission as a working document at the next Commission meeting. The motion carried with voice vote.

Because an Executive Committee has been created at this meeting of the IMLCC, a motion was made by Vice Chair Thomas (MN) and seconded by Commissioner Goetter (AL) to dissolve the Coordinating Committee. However, Commissioner Lawler (ID) reminded members of the 30 day notice required prior to the Executive Committee meeting. Vice Chair Thomas (MN) withdrew his motion.

Next Meeting: The next meeting of the Commission will be held on March 31, 2016, beginning

at 1:00 PM and through April 1, 2016, until 1:00 PM. The State of Minnesota has agreed to host the March 31st meeting with a possible gathering time for new

commissioners prior to the 1:00 PM meeting.

<u>Public Comments:</u> Opportunity was given for those in the audience to make comments on the work

of the Commission, but none were made.

Press Release: Communications Committee was asked to prepare a press release following this

meeting. Commission Secretary will work with Communications Committee to develop a summary to member boards, CSG and FSMB for public consumption.

Adjournment: Chairman Marquand declared the meeting adjourned at 4:05 PM.

Respectfully submitted,

Diana Shepard, CMBE Commission Secretary

2014 - 2015 ANNUAL REPORT Medical Board of California

2005 Evergreen Street, Suite 1200, Sacramento, CA 95815 • (916) 263-2389 • www.mbc.ca.gov

Executive Summary

The Medical Board of California (Board) continued its focus on the issues of prescription drug abuse and inappropriate prescribing by concentrating on educational opportunities for physicians. In September 2014, the Board hosted a free continuing medical education (CME) course in Los Angeles on Extended-Release and Long-Acting Opioid Analgesics Risk Evaluation and Mitigation Strategy (ER/LA Analgesics REMS) that was developed by the U.S. Food and Drug Administration. The course was well attended and physicians were able to obtain three CME credits for the three-hour course. In addition, in November 2014, after numerous Prescribing Task Force meetings with interested parties, significant public comment, and discussions with experts in the field of pain management, the Board approved a new document entitled **Guidelines for** Prescribing Controlled Substances for Pain (Guidelines). These Guidelines are intended to educate physicians on effective pain management in California by avoiding undertreatment, overtreatment, or other inappropriate treatment of a patient's pain. The Guidelines' primary

objective is improved patient outcomes and reduction of prescription overdose deaths. The new Guidelines contain a significant amount of information and are supplemented with as many resources as practical via the appendices and links to websites that further assist a physician when prescribing controlled substances for pain. Lastly, in May 2015, the Board won State Information Officers Council (SIOC) Awards for both of its public service announcements (PSA), which address the issue of prescription drug abuse and misuse. The *PSA* directed to physicians, featuring Board Member Michael Bishop, M.D., won the SIOC Silver Award. The *PSA* featuring Olympic gold medalist Natalie Coughlin, directed to consumers, won the SIOC Gold Award.

The Board also continued its goal of transparency for all consumers by sponsoring *Assembly Bill 1886* (Eggman, Chapter 285, Statutes of 2014), which changed the requirements for information available on the Board's website regarding physicians. Prior to the passage of this

The Mission of the Medical Board of California

The mission of the Medical Board of California is to protect health care consumers through the proper licensing and regulation of physicians and surgeons and certain allied health care professions and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board's licensing and regulatory functions.

bill, most public disciplinary information for physicians could only be posted on the Board's website for 10 years. This Board-sponsored bill allows the Board to post the most serious disciplinary information on the Board's website for as long as it remains public.

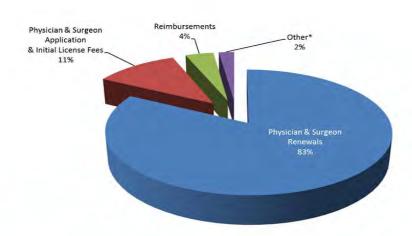

In January 2015, the Board launched a Twitter account to educate consumers and physicians by providing information on the Board's roles, laws, and regulations, as well as providing information on Board events and meetings. Twitter provides outreach on the Board's consumer protection mission to the public and encourages public engagement in the activities of the Board.

Board Members and Board staff participated in the Board's first annual Legislative Day on February 26, 2015. Board Members and staff visited legislative offices to provide Legislative Members with information on the Board and its roles and duties. The Board Members met with the Chairs of the Senate and Assembly Business and Professions Committees, as well as other Legislators and legislative staff.

Licensing Summary

The Board's Licensing Program continues to achieve its mission of protecting the health care of consumers through the proper licensing of physicians and surgeons and certain allied health care professionals. The Licensing Program also issues fictitious

name permits, and licenses non-nurse midwives, research psychoanalysts, spectacle and contact lens dispensers, registered dispensing optician businesses, and polysomnographic trainees, technicians and technologists. The Licensing Program also approves

accreditation agencies that accredit outpatient surgical settings in which general anesthesia is being used.

The Licensing Program issued 5,882 new physician's and surgeon's licenses. This was an increase of 360 (6.5%) more new licenses than the previous fiscal year. The Licensing Program recognized 54 international medical schools pursuant to California Code of Regulations, Title 16, Division 13, (CCR) Section 1314.1(a)(1). The Licensing Program was able to perform the initial application review of all physician's and surgeon's applications within the 60 working days regulatory time frame. Staff continues to identify opportunities to streamline and improve the application process and improve the Licensing Program's outreach efforts.

Prior to January 1, 2015, Business and Professions Code (BPC) section 30 required all applicants, prior to being licensed, to have a U.S. Social Security Number (SSN)

that allowed the individual to work in the U.S. The passage of Senate Bill 1159 (Lara, Chapter 752), which became effective January 1, 2015, amended BPC section 30 to allow applicants to use a valid U.S. Individual Taxpayer Identification Number (ITIN) instead of an SSN. Individual applicants who have either a valid SSN or ITIN are now eligible to apply for a license.

On July 1, 2015, the BreEZe system was updated to allow physician's and surgeon's applicants to check certain deficiencies of their application. The information is only for date-forward applications. Applications that were filed prior to July 1, 2015 will be updated to reflect certain deficiencies when additional documents are received and reviewed by staff. This will allow applicants to identify some of the deficient items needed to complete their application without contacting the Board

iv 2014-2015 ANNUAL REPORT Medical Board of California

Enforcement Summary

On July 1, 2014, the Board established its Complaint Investigation Office (CIO). This unit, comprised of six Special Investigators (non-sworn) and a Supervising Special Investigator I, is tasked with investigating quality of care investigations following a medical malpractice settlement or judgement, cases against physicians charged with or convicted of a criminal offense, and physicians petitioning for reinstatement of a license following revocation or surrender of his or her license. During FY 2014-2015 the Special Investigators in the CIO investigated and closed 296 cases and referred 26 to the Attorney General's (AG's) Office to take disciplinary action against the licensee's physician's and surgeon's license. The 26 referrals accepted by the AG's Office consisted of 12 convictions, 13 Petitions for Reinstatement and one medical malpractice case.

Also on July 1, 2014, in compliance with Senate Bill (SB) 304 (Lieu, Chapter 515, Statutes of 2013), the Board transferred its investigative staff to the new unit within the Department of Consumer Affairs entitled the Health Quality Investigation Unit (HQIU). Therefore, all complaints that require investigation by a sworn investigator are now transmitted to the HQIU for investigation. This law did not change the requirements for these cases to be investigated through the vertical enforcement model and therefore both an investigator

and a Deputy Attorney General from the AG's Office are assigned to investigate the violations in the complaint. The Board is responsible for reviewing the outcome of the

V 2014-2015 ANNUAL REPORT Medical Board of California

Enforcement Summary (continued from page v)

investigation for approval, but the investigation is now performed outside of the Board's auspices.

When SB 304 became operative on January 1, 2014, it also mandated accredited outpatient surgery settings to submit adverse events to the Board within specified time limits. These reports have to be submitted no later than five days after the adverse event has been detected, or, if that event is an ongoing threat to the health, welfare, or safety of patients, medical personnel or the public, the event must be reported to the Board no later than 24 hours upon discovery. During FY 2014-2015, 104 adverse events were reported including surgical mishaps or deaths, improper use of surgery products or devices, case management errors resulting in poor quality of patient care, environmental circumstances resulting in patient death or disability, or criminal wrongdoings by medical personnel inflicted upon a patient. The Board reviews each adverse event report and takes appropriate action either with the assistance of an approved accreditation agency or through the Board's Enforcement Program.

On January 1, 2015, Assembly Bill 1886 became effective. This bill restructured the statute related to public disclosure information, requiring the Board to restore documents previously removed from its website. Staff in the Board's Discipline Coordination Unit (DCU) identified over 7,000 disciplinary records requiring the posting of public disclosure information to the website. DCU staff worked to scan the related public disciplinary documents and make them available on the Board's website. This

Accusations withdrawn for the following reasons: physician passed a competency exam; physician met stipulated terms and conditions; physician was issued a citation/fine instead; physician died, etc.

Effective 7/1/14, the Board's sworn staff within the Enforcement Program transferred to the Division of Investigation's Health Quality Investigation Unit. The authority to issue a citation by the Enforcement Program was lost due to this transition. The statistic reflects citations issued by the Board's Chief of Licensing only.

Penalty Relief includes Petitions for Modification of Penalty and Petitions for Termination of Probation.

Pursuant to B&P Code §2220.05 (c), ISOs and TROs were granted in the following priority categories: 0-gross negligence/incompetence resulting in death or serious bodily injury, 0-drug or alcohol abuse involving death or serious bodily injury, 1-excessive prescribing, 1-sexual misconduct with a patient, and 1-practicing under the influence of drugs/alcohol.

Includes 4-Automatic Suspension Orders per B&P Code §2236, 7-license restrictions per Penal Code §23, 7-license restrictions pursuant to court order, 11-out-of-state suspension orders per B&P Code §2310, 0-stipulated agreement to suspend or restrict the practice of medicine, and 9-suspension/cease practice orders issued for violation of probation condition.
