

Prospective Enforcement Committee Vision Statements

Option #1

The vision of the Enforcement Committee is to supplement (or enhance) the Medical Board's mission of protecting health care consumers by acting as an expert resource and advisory body to members of the Medical Board and its enforcement program, by identifying program improvement opportunities, and by educating board members and the public on enforcement processes .

Option #2

The Enforcement Committee will act as an expert resource and advisory body to members of the Medical Board and its enforcement program by educating board members and the public on enforcement processes and by identifying program improvements in order to enhance protection of health care consumers.

Option #3

In furtherance of the Medical Board's mission of protecting health care consumers and in the spirit of transparency, the vision of the enforcement committee is to act as an expert resource and advisory body for the enforcement program, to identify and implement program improvements, and to educate the public and other board members on how the enforcement program operates.
