The mission of the Medical Board of California is to protect health care consumers through the proper licensing and regulation of physicians and surgeons and certain allied health care professions and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board’s licensing and regulatory functions.

An Expert Reviewer is NOT an advocate for the Medical Board or the respondent physician.

Do you have what it takes to be an Expert Reviewer for the Medical Board of California?

An Expert Reviewer Program allows me to offer my experience in the area of peer review in my field of family medicine. I wanted to perform a service for the State of California.

—Dr. GM, Family Medicine

Being an active medical expert allows me to sustain the integrity of medicine, assuring that colleagues practice quality medicine and adhere to the standard of care.

—Dr. SW, Internal Medicine

The mission of the Medical Board of California is to protect health care consumers through the proper licensing and regulation of physicians and surgeons and certain allied health care professions and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board’s licensing and regulatory functions.

“I joined the Expert Reviewer Program to offer my experience in the area of peer review in my field of family medicine. I wanted to perform a service for the State of California.”

—Dr. GM, Family Medicine
Qualities of a Successful Expert Reviewer

— Objective, fair, and unbiased.

— Understands the standard of care in the community.

— Effective communicator, both when testifying and in writing reports.

— Accessible and cooperative.

— Able to maintain confidentiality.

Minimum requirements to participate in the Expert Reviewer Program:

— Current California physician and surgeon license in good standing.

— No prior discipline.

— No pending accusation.

— No complaint history within the last three years.

— Current board certification by one of the 24 approved American Boards of Medical Specialties or by boards recognized by the Medical Board of California (Board), which include the American Board of Facial Plastic and Reconstructive Surgery, American Board of Pain Medicine, American Board of Sleep Medicine, and American Board of Spine Surgery.

— Minimum of three years of practice in the specialty area after board certification.

— Current active practice in California (defined as at least 80 hours a month in direct patient care, clinical activity, or teaching—at least 40 hours of which is in direct patient care).

— Must be willing and available to testify at administrative hearings.

Because medicine is an ever-changing profession, reviewers must have experience with the treatment or procedure involved during the time frame of the alleged misconduct.

Immunity from Liability:

Civil Code Section 43.8 provides immunity from civil liability for expert reviewers acting within the scope of their duties in evaluating and testifying in cases brought before the Board.

Business and Professions Code Section 2316 states the Office of the Attorney General will provide representation in connection with specialty board disciplinary proceedings, should a complaint be filed.

Business and Professions Code Section 2317 provides for defense by the Office of the Attorney General and indemnity by the Board if the expert reviewer is named in a civil action directly resulting from opinions and testimony provided on the Board’s behalf.

"I participate in the Expert Reviewer Program because I want to help improve medical care for elderly health care consumers in California."

—Dr. RH, Geriatrics

"The Expert Reviewer Program not only allows me to share my experience as an obstetrician/gynecologist, it enables me to reflect on the type of care I provide to my own patients. Likewise, it helps me reflect on how I teach my residents, the future doctors of California."

—Dr. JB, Obstetrics & Gynecology
