Questions:

Do you have a Resume or list of qualifications?

I do not have a Resume. I am a LM, CPM practicing in Los Angeles. I have been in practice for 4 years. I recently opened a birth center named Arcadia Birth center. I have become a Medical provider. I am currently a preceptor for The National College of Midwifery, and Midwives College of Utah. I have 3 student training under me now.

What is your interest in Midwifery practice and home births?

I am an out of hospital midwife serving in both home birth and birth center settings. I believe all healthy low risk women should have the option of having care with an out of hospital midwife, in a non-clinic environment.

Please contact me with any questions.

Thank you,  
Chemin Perez LM,CPM
