(a) The following programs are approved by the division for continuing education credit:
(1) Programs offered by the American College of Nurse Midwives;
(2) Programs offered by the Midwives Alliance of North America;
(3) Programs offered by a midwifery school approved by the division;
(4) Programs offered by a state college or university or by a private postsecondary institution accredited by the Western Association of Schools and Colleges;
(5) Programs offered by a midwifery school accredited by the Midwives Education Accreditation Council;
(6) Programs which qualify for Category I credit from the California Medical Association or the American Medical Association;
(7) Programs offered by the Public Health Service;
(8) Programs offered by the California Association of Midwives;
(9) Programs offered by the American College of Obstetricians and Gynecologists; and
(10) Courses offered by a provider approved by the California Board of Registered Nursing or the board of registered nursing of another state in the United States.
(b) Only those courses and other education activities that meet the requirements of Section 1379.27 which are offered by these organizations shall be acceptable for credit under this section.
(c) A maximum of one third of the required hours of continuing education may be satisfied by teaching or otherwise presenting a course or program approved under this section.
(d) Tape-recorded courses and correspondence courses offered by an approved provider shall be accepted for no more than half of the total required hours.

HISTORY
1. New section filed 7-8-97; operative 8-7-97 (Register 97, No. 28).

§ 1379.27. Criteria for Acceptability of Courses.
(a) Those courses and programs referred to in section 1379.26 above shall meet the following criteria in order to be acceptable to the division:
(1) Faculty-the course or program instructor shall: (A) be currently licensed or certified in his/her area of expertise, if appropriate, and (B) show evidence of specialized training which may include, but is not limited to, a certificate of training or an advanced degree in a given subject area. The curriculum vitae of all faculty members shall be kept on file.
(2) Rationale-The need for the course and the need was determined shall be clearly stated and maintained on file.
(3) Course content-The content of the course or program shall be directly related to midwifery, patient care, community health or public health, preventive medicine, professional ethics, the Medical Practice Act, the Licensed Midwifery Practice Act, or improvement of the midwife-client relationship.
(4) Educational objectives-Each course or program shall clearly state educational objectives that can be realistically accomplished within the framework of the course.
(5) Method of instruction—Teaching methods for each course or program shall be described, e.g., lecture, seminar, audio-visual, simulation.

(6) Evaluation—Each course or program shall include an evaluation method which documents that the educational objectives have been met—for example, written examination or written evaluation by each participant.

(7) Attendance—A course provider shall maintain a record of attendance of each participant.

(b) The division will not give prior approval to individual courses or programs; however, the division will randomly audit courses or programs submitted for credit in addition to any course or program for which a complaint is received. If an audit is made, course providers will be asked to submit to the division documentation concerning each of the items described in subsection (a) above.

(c) Credit toward the required hours of continuing education will not be accepted for any course deemed unacceptable by the division after an audit has been made pursuant to this section.

HISTORY
1. New section filed 7-8-97; operative 8-7-97 (Register 97, No. 28).

§ 1379.28. Audit and Sanctions for Noncompliance.

(a) The division shall audit once every two years a random sample of midwives who have reported compliance with the continuing education requirement. No midwife shall be subject to random audit more than once every four (4) years. Those midwives selected for audit shall be required to document their compliance with the continuing education requirements of Section 2518 of the code and this article.

(b) Any midwife who is found to not have completed the required number of hours of approved continuing education will be required to make up any deficiency during the next biennial renewal period. Such midwife shall document to the division the completion of any deficient hours identified by audit. Any midwife who fails to make up the deficient hours during the following renewal period shall be ineligible for renewal of his/her license to practice midwifery until such time as the deficient hours of continuing education are documented to the division.

(c) It shall constitute unprofessional conduct for any midwife to misrepresent his/her compliance with the provisions of this article.

(d) The division requires that each midwife retain for a minimum of four years records of all continuing education programs attended, including the title of the course or program attended, the length of the course or program, the number of continuing education hours, the sponsoring organization and the accrediting organization, if any, which may be needed in the event of an audit by the division.
