## Midwifery Advisory Council Vacancy

Deadline Date for Applicant Submissions is December 15, 2024

### ATTENTION: ALL INTERESTED PARTIES

The Medical Board of California (Board) is seeking applications from interested parties for one public member position on the Midwifery Advisory Council (MAC). The vacant position is for a three-year term that will run through June 30, 2028.

The MAC was established in 2007 to represent licensees and bring forward the interests of the midwifery community, including physicians, clients, and the public, in a forum to discuss issues and provide advice and recommendations to the Board on matters specified by the Board.

The Board is seeking a qualified individual who has demonstrated interest in serving on the MAC. The applicant who is chosen by the MAC at its next meeting is subject to approval by the Board at its February 2025 quarterly board meeting. The applicant interested in the public member position is encouraged to provide a brief statement to the MAC at the next meeting to show your interest in being chosen as a member of the MAC. Acceptance of a position on the MAC is voluntary and will require future time commitments, including attendance at a minimum of three meetings per year. This is an unpaid position; however, authorized travel expenses will be reimbursed when the MAC meets in person in Sacramento, California.

If you are interested in serving on the MAC, please complete the [Midwifery Advisory Council Member Application](#) and submit the required attachments directly to the Board **no later than December 15, 2024**, by fax at (916) 263-8936, by email to [tonya.morairty@mbc.ca.gov](mailto:tonya.morairty@mbc.ca.gov), or by mail to the Medical Board of California, Attn: Midwifery Program, 2005 Evergreen Street, Suite 1200, Sacramento, CA 95815.
