LICENSE INFORMATION FOR LICENSED PHYSICIANS FROM MEXICO PILOT PROGRAM

Pursuant to Business and Professions Code section 853, the Medical Board of California (Board) will allow up to thirty (30) licensed physicians specializing in family medicine, internal medicine, pediatrics and obstetrics and gynecology, to practice medicine in California for a period not to exceed three (3) years. The three-year license to practice under the Licensed Physicians from Mexico Pilot Program is nonrenewable.

As an applicant, you are personally responsible for all information disclosed on your application, Forms MP1A – MP1F, and any responses that may have been completed on your behalf by others. An application may be denied based upon omission, falsification or misrepresentation of any item or response on the application or any attachment. The Board considers violations of an ethical nature to be a serious breach of professional conduct.

Each applicant's credentials for licensure in California are reviewed on an individual basis. The Board has the authority to deny licensure based upon an applicant's act of dishonesty, unprofessional conduct, conviction of a crime, or inability to practice medicine safely.

MINIMUM REQUIREMENTS

- License fee - \$900 (nonrenewable).
- Fingerprints – applicants shall have their fingerprints completed at a California Live Scan facility. Applicant will need to use the *Request for Live Scan Service* form that is included in this packet. Refer to the [Office of the Attorney General's website](#) for Live Scan facilities in California.
- Applicant must be licensed, certified or recertified, and in good standing in their medical specialty in Mexico. This certification or recertification shall be performed, as appropriate, by the Consejo Mexicano de Ginecología y Obstetricia, A.C., the Consejo Mexicano de Certificación en Medicina Familiar, A.C., the Consejo Mexicano de Medicina Interna, A.C., or the Consejo Mexicano de Certificación en Pediatría, A.C.
- A passing score on the board review course (in each specialty area) with a score equivalent to that registered by the United States applicants when passing a board review course.
- Family physicians must demonstrate specific documentation (equivalent to U.S. reporting standards) that they have completed fifty (50) live births.
- Obstetricians and gynecologists must be fellows in good standing of the American College of Obstetricians and Gynecologists.
- Passed an interview examination developed by National Autonomous University of Mexico (UNAM).

LICENSE INFORMATION FOR LICENSED PHYSICIANS FROM MEXICO PILOT PROGRAM

- Complete the Board-approved six-month orientation distant learning program.
- Completed English-as-a-second-language (ESL) classes focused on both verbal and written subject matter.
- Enrollment in ESL classes from an approved program in California.
- Enrollment in a six-month externship program where the applicant shall be employed during the Mexico Pilot Program.
- United States Social Security card (valid to work only) or Individual Taxpayer Identification Number (ITIN).
- Employment verification with a nonprofit community health center who has been approved by the Board to participate in the Mexico Pilot Program.

GENERAL INFORMATION

- Please print or type.
