MEDICAL BOARD OF CALIFORNIA ELECTS NEW BOARD PRESIDENT

Sacramento – The Medical Board of California (Board) has elected Dev Gnanadev, M.D., of Redlands as its new Board President. Dr. Gnanadev was chosen at the July 28, 2016 Board Meeting to succeed outgoing President David Serrano-Sewell, J.D. Dr. Gnanadev is the President of the Arrowhead Surgery Group, Associate Professor at Loma Linda University and Clinical Professor of Surgery at Western University for Health Sciences. Dr. Gnanadev has served on several committees of the Board and has been an advocate for consumer protection.

Upon his election Dr. Gnanadev stated, “I am alarmed with the growing epidemic of opioid abuse in California and in our country. This is an area that I will focus on during my term as president. It is my goal to reduce the number of deaths caused by opioid overdoses by enforcing the Medical Practice Act and by educating physicians so they understand opioid prescription guidelines, which include use of the CURES database.”

Dr. Gnanadev earned his medical degree from Kurnool, Andhra Pradesh, India.

The mission of the Medical Board of California is to protect health care consumers through the proper licensing and regulation of physicians and surgeons and certain allied health care professions and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board's licensing and regulatory functions.
